

"Unbelievable music. Stunning artistic collaborations. Amazing audiences. Distinctly beautiful stages. Friendly staff and volunteers. That's the Vancouver Island Music Festival. You've got to experience it for yourself. Go!" Kellylea Evans

"It's impossible to experience this festival alone... you could technically go alone... but be prepared to share some truly remarkable memories with the people you meet. MusicFest makes complete strangers feel less strange." Shane Koyczan

Vancouver Island MusicFest

was launched in 1995 and has grown to become one of the top Music Festivals in North America.

With over 25,000 day visits over the course of the weekend it is one of the largest public events on Vancouver Island.

Over 7500 audience, volunteers, guests, sponsors, musicians and media attend the festival each day. Vancouver Island MusicFest (Comox Valley Folk Society) is a not-for-profit society and a registered charity, employing three year round and two part time staff. With an operating budget over 1 million dollars, community donations of goods and services exceed \$400,000 per year.

Thank you for generously helping keep our costs down by becoming a sponsor. With your help we are proud to be able to give back to our community. Aside from producing the Festival and our concert series, we achieve this by donating Weekend Passes to other not-for-profit organizations in the Valley to help them in their yearly fundraising.. We proudly offer discounted tickets at a rate of two for one for our patrons with accessibility concerns.
